WHAT YOUR CONTRIBUTIONS DO TO HELP A CHILD'S DREAM COME TRUE

What is a dream? A dream is whatever an ill child requests. Generally, dreams fall into three categories—trips, meetings with celebrities or special gifts. These have given joy to hundreds of Lehigh Valley area young people suffering from such diseases as cancer, cystic fibrosis, muscular dystrophy, spina bifida or AIDS.

We grant a dream almost every week. We're proud that more than 978 dreams have been fulfilled since we began in 1984. Sadly, many of our young people have passed away. We're fortunate that we could help provide comfort and happiness to their lives.

Please ride your bike or walk with us on May 16 to help make dreams come true.

Dream Come True expanded our services in 2003 by offering children who had dreams fulfilled by us and are eligible for a college scholarship. On a sadder note, Dream Come True will help with funeral expenses should they pass away. No other wish granting organization can offer a dream, a scholarship and a funeral.

Dream Come True is operated by a volunteer board of directors with the support of the generous community. Dream Come True has one part time paid staff member.

To qualify as a dream recipient, a child must be between 4 and 17, live in the Greater Lehigh Valley area and have an illness that is life threatening or has seriously altered their lifestyle. We receive no government funding and we are a 501(3)(c) organization. Donations are tax deductible.
